

**CITY OF FORT WORTH – CERTIFIED THIRD PARTY FIRMS
(Revised –May 28, 2008)**

The firms listed below have met minimum standards of education and experience established by the City of Fort Worth. The City does not guarantee their work nor warrant that they are qualified to perform services for any specific project. Before you retain a listed firm for plan review or inspection services, it is recommended that you conduct your own investigation of their qualifications.

Firms that are listed as “pending certification” have not received authorization from the City to perform third party services at this time. Please check to receive an updated list to determine the certification status of these firms.
